HOW TO MAKE

DIRECTIONS

- Rub the edge of a chilled glass with the inside of a cut lime to moisten it, then dip the edge of the glass into the Tostitos chips to create a Tostitos rim (laying the Tostitos chips out on a plate or wide bowl will help with this process).
- Add tequila, triple sec, lime juice, and 1 cup of Corona Ice to the blender and blend for 30 seconds to a minute until a slushy consistency is achieved, add another 1/2 cup of Corona Ice, if necessary, to thicken.
- Pour into rimmed glass and garnish with lime wheel serve immediately.
